

ABDOMINAL ULTRASOUND TEST

1. You will need to fast for 8 hours before your abdominal ultrasound.
2. Wear comfortable loose-fitting clothing (2 piece).
3. Diabetics must hold diabetic medications the morning of the test. You may take them afterwards.
4. Take all other medications as normal with as little water as possible.
5. Allow at least 30-45 minutes for the entire test.
6. If you, the patient, do not cancel your scheduled appointment at least 24 hours prior to the test or are more than 20 minutes late for the scheduled test, you may be billed a \$50 no show fee.
